The State 911 Department has compiled a listing of courses previously requested by PSAPs and authorized by the Department. All courses found on this list are considered to be approved and no further advance written authorization from the State 911 Department is required. This list in not intended to limit training opportunities but is merely provided as a resource to Grantees. Please note that this list is subject to change. As this list of training courses is compiled from requests received from Grantees for training courses, Grantees are encouraged to periodically visit www.Mass.Gov/E911 for an updated list. Please note this list is not intended to support or promote course providers, it is merely a compilation of courses requested by Grantees and reviewed and approved by the State 911 Department. Only Grantees and not vendors are permitted to submit courses for consideration of approval. Grantees are encouraged to seek other training opportunities and submit the sponsor of the course; vendor name; course curriculum, agenda, or syllabus; course location; and course cost to the State 911 Department for approval by e-mailing request to: 911DeptGrants@state.ma.us.
